

Summary of Residential Utility Charges

Rates effective 7/1/2015 to 6/30/2016

WATER RATES

	RATE:
Base Charge:	\$20.16
Plus Per EEU (Equivalent User Unit*):	\$1.63

* An EEU is equal to 748 gallons of metered water

Example: If you used 7 units (5236 gallons) of water this month, this would be your bill:

Base Charge:	\$20.16
Plus 7 units x \$1.63=	\$11.41
Total Water Charges =	\$31.57

SEWER RATES

Residential customers shall be billed based upon the amount of water used during the months of November through April. During the months of May through October residential customers shall be billed based upon the lesser of (1) the amount of water used during the month, or (2) their wintertime average. Residential customers without a six month wintertime average shall be billed based upon the lesser of (1) the amount of water used during the month, or (2) a wintertime average based upon the length of time the customer has been at the residence if it is less than six months but not less than two months, or (3) based upon a presumed water usage of 2.81 EEU's per household resident who is at least six years old.

Sewer User Fee per EEU: **\$7.12** **Minimum Charge:** **\$19.65**

November through April example: During the month of November, 7 units of water was used. Sewer charges for that month are \$49.84. (7 units x \$7.12) During the month of December, 5 units of water was used. Sewer charges for that month are \$35.60. (5 units x \$7.12)

May through October example: During the month of May, 8 units of water was used, however 7 is your wintertime average. Therefore, your sewer bill is \$49.84. (7 units x \$7.12) During the month of June, 5 units of water was used. (This is less than your wintertime average) Charges for that month are \$35.60. (5 units x \$7.12)

Please note that total consumption shown on your water bill will be in cubic feet. There are 7.48 gallons per cubic foot and 748 gallons per unit. If your bill shows 500 for total consumption, it means 5 units of water was used.

STORM DRAIN RATES

	RATE:
Base Charge:	\$3.54

*** Your Utility Bill is a combination of water, sewer and storm drain, due on the 20th of each month. If your account is past due, payment must be made by the 10th of the following month to avoid a shut off of your service and the accompanying tag fees.***
