General Fees and Licenses in the City of Harrisburg

The fee schedule and resolution for City fees is located at the back of this document.

Enterprise Zone Pre-Authorization:

The City of Harrisburg co-manages and operates the Harrisburg Enterprise Zone. This includes acreage located in the City of Harrisburg, the City of Junction City, and property located abutting North Coburg Road, adjacent to I-5. The Zone Manager position in Harrisburg is held by the City of Harrisburg Administrator while the Zone Manager for Junction City is their City Administrator. Enterprise Zones are great resources for business in Oregon, allowing for an exemption from property taxes for new plant and equipment costs, if a business is able to meet the criteria.

Garage Sales:

Fees are not charged for garage sales. However, garage sales are limited to no more than six days in any one-year period. The City of Harrisburg has a great City Wide Garage Sale in the summer, typically in the month of August. Citizens are encouraged to take advantage of having their sale posted on the City website. Watch the website and social media for the time of this year's City wide sale.

Land Use & Development Fees:

Land Use and Development Fees are charged for land use projects in the City of Harrisburg. The fee is for the approximate amount of time for staff to process a Land Use Application, as well as for the time it takes for a land use application to be reviewed, and heard by the Planning Commission, and in the case of more complex land use applications, the City Council. Public Hearing Fees are included in the Land Use & Development Fee's.

Library Patron Fines and Fees:

There is no fee for a family resident card in the City of Harrisburg, and a very low fee for cards held by those that are outside of Harrisburg. As always, there are overdue book fees, and if a book is lost, a charge for the replacement. Habitual violators will lose their library card and the right to borrow future items from the library.

Licenses

Business Licenses:

Business Licenses are required for all businesses in Harrisburg, whether it's Commercial, Industrial, a Rental, or a Home Occupation. The City does advertise all businesses in Harrisburg, and keeps a directory on the City website. Business License fees are charged annually, and are billed in December. Licenses are pro-rated for ½ year, if the application is received after July 1st. Temporary Business Licenses are required for seasonal businesses, such as Christmas Tree stands, or Fireworks stands. A transfer of a business license to a different owner, or to a different business name, is also charged a small fee.

Apartment Buildings and Landlords of Rental Homes will be charged for each unit offered for rent. A scaled fee is available; 1-10 Rentals will be charged \$10 a rental unit, while 11 or more Rentals will be charged \$110.

Home Occupations, are businesses that are ran from a citizens home. These are typically sales of some sort, such as Avon, Mary Kay, or other types of businesses that operate through parties held in citizen's homes. It can also apply to professional types of businesses, such as Internet sales, like Amazon or E-Bay, accountants, IT businesses, etc. A Home Occupation is secondary to the main use of the home, which is your primary residence. It has to maintain the same character as the other homes around it; meaning that you can't store outside materials from the business, and the home should still look like a home. Commercial uses, such as a small café, or anything with a lot of foot traffic, belong only in a commercial zone.

There are other types of licenses, which are explained later in this document. Those include a commercial truck permit, solicitor licenses, a social games license, secondhand dealer license, and street & sidewalk vendor licenses.

Liquor License:

A liquor license and fee is required as per OLCC for all premises selling liquor in the City of Harrisburg. In addition, citizens in town holding a special event which includes something such as a Beer Garden are required to obtain a temporary liquor license, which is approved by the City Administrator. Commercial Businesses wishing to have a beer garden or wine terrace outside of their establishment are required to obtain a public event permit.

Public Dance License:

A public dance is any dance not held in a private home or residence, which is open to the general public. Some dances are part of a Public Event, but businesses can sometimes hold a public dance by utilizing a parking lot, or obtaining permission to hold a street dance.

Second Hand Dealer License:

The applicant for this license will be subject to a criminal background check. In addition, there are specific City forms and processes that are required for purchases of pawned or secondhand goods; and specifically for precious metals, jewelry, coins, firearms, hand and power tools, or any article with a manufacturer's serial number.

Please contact City Administrative Staff for questions in relation to a Second Hand Dealer Permit.

Social Games Licenses:

The City of Harrisburg requires that anyone dealing cards at a restaurant, bar, tavern, or lounge must be approved by the City of Harrisburg to have a Social Games license. A common and popular type of game right now are poker tournaments, but this also covers blackjack games, or any other type of game held outside of a residence. The person holding the tournament, or holding regular games must have a background check done, and must supply a current picture. The license also specifies which location in town that the operator will be holding the games at.

Solicitation License:

Door to door sales are not allowed in the City limits of Harrisburg, without first obtaining a solicitation license from the City. This license requires a background check; some of the things the City checks for are past arrests, and/or convictions of crimes of violence, sex offenses, narcotics, alcoholic beverage laws and fraud. **Each individual** selling for a company is required to have a solicitation license. Selling door to door without a valid solicitation license is prohibited, and can be punishable as a civil infraction or criminal trespass in the second degree in the Harrisburg Municipal Court. Solicitors must also abide by posted no solicitation signs, and can only operate only between the hours of 9:00am and 8:00pm. Solicitors are required to carry their City approved license with them, and should display them when they come to a residence.

Harrisburg residents have the right to ask to see the solicitor's license, and are welcome to contact the City, to verify if a solicitor has a license to operate in town. If a resident is approached by a person who is soliciting, but they can offer no evidence of a solicitation license, then the resident can contact the City, or dispatch for the Linn County Sheriff's Office.

Street & Sidewalk Vendor License:

Licenses are required for businesses that are located on any City street, parking lot, sidewalk, or other public property. This includes vendors that have mobile carts that move to different areas during the time they are in town, such as an ice cream cart. Special Events, such as the 4th of July, are administered by an association other than the City. The process for obtaining a

license is complex, and there are specific criteria that apply to it. Please call administrative staff if you are interested in this license.

Please note that if you plan on operating a business on the property of another business, such as a temporary business kiosk, or mobile cart in a business parking lot, that along with the permission of that business owner, you'll also need to obtain a temporary business license from the City of Harrisburg. A business kiosk that is permanent in nature, such as a coffee kiosk, will likely require a land use application.

Lien Search Fees:

Lien Search Fees are charged for lien searches that are for properties located in the City of Harrisburg. The City utilizes a company called Net Assets, which runs a website called Conduits. Title companies are required to obtain authorization through Net Assets to obtain lien search data for the City on the Conduits website. Information on existing liens can only be released to the owner of the property, or to a company that is going through Conduits for the Lien Search.

Marijuana Related Businesses:

The City of Harrisburg submitted Measure 22-164 to the voters in November, 2016. That measure passed, and prohibits establishment of recreational and medical marijuana facilities of all kinds within the City limits of Harrisburg.

Marijuana Tax Rate:

For information in relation to Marijuana facilities, or tax rate, please contact the City Administrator.

Municipal Court Fees:

The Harrisburg Municipal Court has fees in relation to the normal processes for a municipal court. The fees reimburse the City for staff costs involved in processing violations. For more information in relation to these fees, please contact the Municipal Court Clerk.

Nuisance Vegetation Removal:

The City responds to complaints in regards to nuisance vegetation, and also monitors vegetation periodically from spring through fall. City crews will remove nuisance vegetation, after obtaining a court warrant.

Public Works crew rates for removal of nuisances will include labor, plus additional charges for equipment and tools.

Notary Fees:

The City of Harrisburg does employ a notary public; that person is currently the City Recorder/Assistant City Administrator. Hours for the notary public can vary from day to day, and this service may not be available on specific days. Notary Fees are charged per Signature/Stamp Required.

NSF Checks:

The City of Harrisburg as a public entity does charge a fee for checks that are returned to the City for non-sufficient funds.

- Government and Non-Profit Organizations are exempt from the fee, but not from the application process.

Public Improvement Requirements:

Any kind of improvement or development on your property could trigger the requirement to bring the rest of your property up to City Code requirements. If your property currently lacks curbs, gutters, or sidewalks, or does not have a required garage or carport with a paved driveway, you may be required to install any of these at the time of development.

When the improvements are located in a public right-of-way, a right-of-way permit is required to be obtained prior to beginning the work. To determine if your development project will trigger a public improvement requirement, please contact administrative staff at the City of Harrisburg. IF the City determines that your development requires improvement, but the elevations or conditions of the street don't allow it to be installed, then you will be required to fill out a Waiver of Remonstrance with the City. There is a recording fee required to be submitted with a Waiver of Remonstrance.

Sewer Only Rates: Shall be billed as follows:
