

*In Memoriam*  
**David Malpass**

## Proclamation

Whereas, After a lifetime devoted to family, friends, farming and community, Mr. David Malpass departed this life on December 27, 2017, transitioning from service to reward; and,

Whereas, David Malpass was a graduate of Eugene High School and honorably served in the U.S. Army for two years; and,

Whereas, David was blessed to work his passion as a farmer for his entire life, and shared his passion for farming with local youth by providing jobs and sharing his farm for school field trips; and,

Whereas, David Malpass generously gave to his community through service on the Harrisburg School Board, 50 year member and Chairman of the Board of Muddy Creeks Irrigation Project, assisted in the construction of the original University of Oregon football practice field, Harrisburg High School football field, Shadow Hills and River Ridge golf courses, and the Springfield Country Club; and,

Whereas, In addition to his community service, David was a man of the people; He took an active and genuine interest in others, and would take every opportunity to listen to others and share his experiences and talents with them; and,

Whereas, David showed everyone how to have a relationship with God, and not just participate in a religion about a god.

Now, Therefore, I, Robert C. Duncan, Mayor of the City of Harrisburg, extend to the loved ones of David Malpass my deepest sympathy for their loss and my sincerest appreciation for all the service, dedication, and hard work David has given to the our community.

Attest:
