

Adam Miller
Running for Harrisburg City Council

Adam and his wife, Melody, have lived in Harrisburg since 2008. They raised their four children here and now are enjoying the incredible blessing of five grandchildren. They love living in Harrisburg with all of its small town charm.

Adam enjoys volunteering each year at several community events through Life Bible Church which include helping on the 4th of July cooking for the chicken BBQ and working at the elephant ear booth as well as helping with the annual Easter egg hunt. He enjoys meeting and talking with the community any chance he gets. The people are what makes Harrisburg the amazing community that it is.

Adam owns a local business called Alloy Wheel Repair Specialists, which has served Oregon communities from Woodburn to Medford for the past 22 years. You might recognize the business's signature red trailers.

Adam is looking forward to the chance to serve the community on City Council helping navigate all the opportunities and issues that come up. He wants to collaborate with the mayor, city council members, and community members to help find solutions to issues affecting our community to make it the best it can be.

Adam loves taking road trips with his wife, building acoustic guitars with his dad, and gathering with friends and family for a meal especially on Taco Tuesdays.
