

City Administrator's Message

Advocate for Local Business! To help advocate for our businesses, we have included a sample letter with this utility bill. It's easy to sign, and mail to the Oregon Governor, asking for relaxation of extreme risk standards for our restaurants. Mail them yourself or drop them by City Hall, in the over-night drop box, and we will mail them for you!

Our support as a community can help our businesses to survive. Watch the city's Facebook page for specials, and consider ordering take-out, even if it's as small as an appetizer, or cinnamon rolls. Get supplies and hardware from Hurds, bacon from Farmers Helper, and gifts from Grocery Deals!

Please continue to support and advocate for our Harrisburg businesses. They are all crucial to our community. Please let Governor Brown know of their needs and how important they are to us. Our support is more important than ever!

Thank you!
