

OUR TOWN

City Administrator's Message

Happy Independence Day America! As we welcome the thousands of visitors to our small community this month, I encourage you to show them our best. Let's join in the celebration and have a great time with our family, friends, neighbors and fellow Americans! After the 4th of July, don't miss out on the Summer Sounds outdoor concerts. The shows are Tuesday evenings at 6:30 pm, and are at Riverfront Park under the gazebo. You can find more information by visiting the Summer Sounds website.

As we get into the full swing of summer and enjoy the various activities, let us be safe, kind, and have fun!

Join the Community Garden

A few weeks ago several volunteers came together and built the Harrisburg Community Garden. In its inaugural year, the garden has 6 raised beds for growing.

A local master gardener will be mentoring the green thumb gardeners to ensure a successful garden! A bed cost \$15 with an additional \$15 refundable deposit. If you are interested in having a bed, please contact Edie at the H.A.R.T. Center at 541-995-6655. It's not too late to get started.
