- ◆ Donation collections during the parade, or on the riverfront.
- ◆ Other Fun Stuff!

This is the 66th 4th of July Celebration that the Harrisburg Festival and Events Association will be operating this year. We are urgently looking for people to help us with this year's event!

Will you be watching the parade with your family? Great, you can be a parade monitor for that block! You can be right there, and help us by keeping control of kids, people dispensing candy, and keeping an eye on everything.

Got two hours? You can help staff a bouncy in the park. (PS: It's even in the shade!)

Love cars? The Show & Shine needs someone to let vehicles in, and to register them for the event.

You get the picture!

Volunteer forms are on-line at the City website, or contact us on Facebook.
