

THE CITY OF HARRISBURG IS UPDATING THE PARKS MASTER PLAN!

The City invites interested community members to participate in a short community survey to provide input about parks and recreation in Harrisburg.

This feedback will help the City understand residents' needs and better prioritize capital improvements as part of the Master Plan Update.

The survey is available online at the following web link:
<https://www.ci.harrisburg.or.us/community/page/parks-master-plan-project>.

SAVE THE DATE!

The City will also host a community open house event to explore potential design options and collect additional feedback on the evening of **Thursday, February 24th**. Additional details will be provided on the City website.
