

Our Town

City Administrator's Message

During these late winter/early spring months, the City is hard at work meeting all of our regulatory requirements from the State of Oregon, such as our TMDL (Total Maximum Daily Load) Report, and other reports for the Department of Environmental Quality. You'll find a newsletter with this month's bill that meets some of our education requirements. Other communities north of the City of Harrisburg access the Willamette River for their drinking water, so it's important to make sure that the storm water that eventually makes it to the river is as free of contaminants as we can make it.

Surplus Sale: The City Council has approved the sale of the City's 2004 GMC Yukon SUV for a minimum bid of \$7,000, by sealed bid, with the sale going to the highest bid that meets the minimum requirement. It has 95,000 miles, with no known defects. The vehicle is being sold as is, and there is no warranty, either express or implied. If you are interested in purchasing the vehicle, please submit a sealed bid to the City by 2:00 on March 22nd. Your bids can be mailed to the City at PO Box 378, Harrisburg, OR 97446, or you can drop your bid at City Hall, at 120 Smith St. Bid opening will be at the Harrisburg Municipal Center, 354 Smith St., at 2:00pm. Please mark Surplus Sale Bid on the outside of your envelope.

You can view the vehicle on Thu, March 9th, 9:00am-1:00pm; Sat, March 11 9:00am-12:00pm; Fri, March 17 12:00pm-3:00pm, at the Harrisburg water plant located at 790 S. 2nd St.

Congratulations and Thank you to former Librarian Cheryl Spangler. She applied for a \$2,000 Oregon Humanities grant, which will help to fund a Cultural Community Fair in the future. It will be similar to what we've done in year's past. Watch for future announcements from the Library!
