### City Administrator's Message

**GREAT NEWS!** The City was formally notified that the grant we submitted was funded! We are very excited about getting this \$96,166 grant toward the development of **Eagle Park**, the City's newest public park. The grant award will finalize soon — and while the City can't start work until the state allows us to, we can at least start finalizing plans for this development stage. This will allow us to put in a large (43,000 sq. ft.) regional dog park (with a separate small dog area), add wood chips/bark to the trails already in the forest, establish a large parking area, purchase picnic tables, and install interactive signs with historical & relevant information. (We even get a park sign and wayfinding elements!) The City is already applying for other grants to further along the project.

**Bridge Construction:** ODOT will continue night work on the Harrisburg bridge (one lane closed) on **October 5-6** from 7pm to 6am.

**FLUSHING Water System Notice:** The Public Works crew will be flushing the water system **Oct 9-13, 2023**. The City flushes the water system twice a year as part of the Oregon Health Authority's recommendations for keeping our municipal water system healthy. Expect decreased pressure when the crews are in your part of town. It's recommended that you don't wash light colored clothing during this time. Please visit the Harrisburg website for additional information and updates.

**Meet Local Law Enforcement** — The next Coffee with a Cop will be held at **99 Grill on Wednesday, October 4th at 9am**. No agenda, just caffeine and conversation.

**Drug Take Back Event:** City Hall, **Oct. 28** from 2:30-3:30pm.

**Looking for Something to Do?** Volunteers and Committee Members are always needed, and are worth their weight in gold.

- \* All local Fire Districts are looking for volunteers, including our own Harrisburg Fire/Rescue District.
- \* Harrisburg Library Board has an opening. Please visit our website for additional information or contact City Hall.
- \* Transportation System Plan (TSP) Advisory Committee needs additional members. Time commitments are not heavy for this group. Please contact me if you are interested!
- \* Nominate your favorite volunteer for a Distinguished Service Award! Contact Michele at City Hall before October 9, 2023

### Code Enforcement Reminder of the Month

Keep our Harrisburg citizens safe — especially children traveling between home and school! **Please get your basketball hoops, garbage cans, overgrown bushes and trees, etc., off of the sidewalk, right-of-way, and road.**

Nobody likes code violations; but it's important to watch for these. Not only does it protect our citizens using the right-of-way, but it also allows those with mobility issues to safely get around town!

If you have received a note from Code Enforcement and/or have questions, please contact City Hall at 541-995-6655.

### Residential Utility Rates (Fiscal Year 2023-24)

### NO DUMPING

**DRAINS TO RIVER**

It benefits us all to keep waterways healthy. Please do not dump chemicals, solvents, or oils down drains. Do not allow garbage to get into gutters, stormwater culverts, or the river. Please notify local law enforcement if you see someone dumping! (Yes, those people you had coffee with at 99 Grill on October 4th at 9am.)

To better serve you, please return any contact changes to City Hall
