The HRA is the governing board of the one Urban Renewal District (URD) in Harrisburg. The URD plan has been amended five times, since its inception in December 1992. The two most recent amendments came in 2014 and 2015. These two plan amendments increased the maximum indebtedness from its original \$2,977,674 limit to \$8,177,674 or an overall increase of \$5,200,000.

The purpose of the HRA is to eliminate blight found in the renewal area, to implement goals and objectives of the Harrisburg Comprehensive Plan and the City's Strategic Plan, and to implement development strategies and objectives for the Harrisburg URD area.

The HRA is a separate entity from the City. As such, it has its own decision making body, budget, and financial accounts. The HRA bylaws state that the City Council of the City of Harrisburg will serve as the HRA Board of Directors.

Other than Investment Revenue all income in this fund comes from shared property taxes, levied from all taxing districts with a permanent tax rate in the URD area. Revenue in this fund has been steadily rising from year to year, which is expected. The drop in proposed taxes this year is the result of losing the \$50,000 special levy, because of the passage of Substantial Amendment No. 4 to the HRA Plan.

Fund expenditures are used for economic development and redevelopment projects that eliminate blight in our community. Examples of projects in the HRA Plan include reconstruction of streets and sidewalks, and the replacement and upgrading of utility lines in the downtown core.

The HRA approved the Moore Street Construction project in 2015. The engineering and design work is currently being completed and construction of the project will be completed in this coming fiscal year. The HRA will also consider additional street projects in the coming fiscal year, which may result in engineering and design costs.

Currently, the HRA has not outstanding debts, as the final loan payment on the original debt was paid this last year.
