Sponsorship Opportunities

Donations of any amount are also accepted and appreciated.

The Harrisburg Library Guild

The purpose of this fundraiser and sponsorship request is to lay a solid foundation for the construction of a new Library Building. We plan to continue to develop the Library to be the community asset that future citizens of Harrisburg will be proud of. The Harrisburg Library Guild was organized to be an advocate of the Harrisburg Library, and is a registered 501-c-3 non-profit organization. Not only do we plan to help raise funds to build our new Library; but we also help with providing the Library programs, by donating funds and providing volunteers for Library events. Please come and join us in making our dream come true!

This support may include the following:

- Promoting for improvement and enhancement of the facilities
- Providing books, computers, and other equipment as needed
- Providing volunteers for events
- Promotion of library functions, events, and causes, such as children's programs, and adult literacy.
