

NEW! Mobile App for iPhone and Android

It's here! The long-awaited, new Xpress Bill Pay app has arrived—and just like you asked, this app is now available for iPhone and Android. Now it is easier than ever for your customers to conveniently pay their bills, any time, anywhere, on their smartphone, desktop or tablet.

In addition to the same great features your customers have already utilized on our app, including paying utility bills quickly and securely with credit, debit, or bank account; viewing billing and payment history; signing up for paperless billing and email notifications; setting up and managing Auto Pay; and updating their payment information, the new app has additional features that make it better than ever.

The new app is free to download from the Apple App Store and Google Play Store. The old and new app still work for the iPhone; however, the old version of our app is no longer available for download. Those using the old app will receive a notification to download the new version.

New Features:

- ✓ **New interface**
- ✓ **Ability to view additional billing details such as:**
 - Account number
 - Service address
 - Bill due date
 - Billing period end date
 - Breakdown of the bill charges

Get the word out to your customers with our new full-page flyers and three-to-a-page bill stuffers available in English or Spanish. (Note: The app is available only in English.)
